- Screen: Big Color Touch Screen
- Highlight: **6 In 1 RF Beauty Equipment, Multifunctional RF Beauty Equipment,**

Product Description

6-In-1 Multifunctional Facial Cleanser With Diamond Peeling Blackhead Removal Dermabrasion Skin Tightening And Whitenin

Product Description:

Our Beauty Device utilizes state-of-the-art technology to deliver effective treatments for hair removal, skin rejuvenation, acne treatment, and more. With a frequency of 4MHZ, our machine can safely and effectively treat all skin types and colors.

The Elight RF Laser Machine is also equipped with a shockwave frequency of 1-18Hz, which provides deep tissue massage to help reduce cellulite and improve skin elasticity. Additionally, our machine features a delay interval of 0-3s, which allows for precise and targeted treatment.

Our RF applicator is bipolar, which means it delivers energy to the skin more evenly and effectively. This ensures that you get the best results possible.

Whether you're looking to remove unwanted hair, reduce the appearance of fine lines and wrinkles, or simply improve your skin's overall appearance, our IPL Laser Beauty Machine is the perfect tool for the job. So why wait? Invest in your beauty today and get the flawless, radiant skin you deserve!

Features:

Product Name: RF Beauty Equipment

Keywords: Laser E-light IPL Machine

Treatment Tips: 5pcs(F-S/F-M/F-L/I-M/I-L)

Voltage: 110V/220V10% 60HZ 10A

Shockwave Frequency: 1-18Hz

Delay Interval: 0-3s

This Beauty Apparatus is an IPL Beauty Equipment that comes with 5pcs treatment tips (F-S/F-M/F-L/I-M/I-L). It operates at a voltage of 110V/220V10% 60HZ 10A and has a shockwave frequency of 1-18Hz. Additionally, it has a delay interval of 0-3s.

Technical Parameters:

Screen	Big Color Touch Screen
Delay Interval	0-3s
Target Area	Body/Face/Legs/Arms
RF Applicator	Bipolar
Keywords	Laser E-light IPL Machine
Frequency	4MHZ
Voltage	110V/220V10% 60HZ 10A
Action	IC Equipment
Shockwave Frequency	1-18Hz
RF Power	50W

This is an IPL RF Beauty Equipment, also known as a Beauty Device or Aesthetic Medicine Equipment.

Applications:

The product uses IC Equipment, which enables it to perform multiple functions and deliver optimal results. The device's RF applicator is bipolar, and its RF polar is monopolar, making it ideal for various skin types. The product's shockwave frequency ranges from 1-18Hz, making it an IPL beauty equipment that delivers impressive results.

The LZR su5 RF Beauty Equipment is suitable for different occasions and scenarios. Here are some of the product's application occasions:

Beauty Clinics: The product is perfect for beauty clinics that require a reliable beauty machine for different applications. The product's advanced features make it easy to use and deliver optimal results.

Salons: Beauty salons require reliable beauty equipment to meet their clients' needs. The LZR su5 RF Beauty Equipment is a perfect fit for salons that need a versatile product to cater to different applications.

Beauty Centers: Beauty centers that offer beauty services require a reliable and efficient beauty machine. The LZR su5 RF Beauty Equipment is a perfect fit for beauty centers that require a versatile machine for different applications.

Home Use: The LZR su5 RF Beauty Equipment is a versatile home use beauty machine that delivers professional results. It is perfect for individuals who want to take care of their skin at home without going to beauty clinics or salons.

The product's versatility makes it ideal for different scenarios, including:

Acne Treatment: The LZR su5 RF Beauty Equipment is ideal for acne treatment. It helps to reduce inflammation, unclog pores, and kill acne-causing bacteria.

Skin Rejuvenation: The product is perfect for skin rejuvenation. It helps to boost collagen production, reduce wrinkles and fine lines, and improve skin texture and tone.

Body Shaping: The LZR su5 RF Beauty Equipment is ideal for body shaping. It helps to reduce cellulite, tighten sagging skin, and contour the body.

Hair Removal: The product is perfect for hair removal. It helps to remove unwanted hair and inhibit hair regrowth.

In conclusion, the LZR su5 RF Beauty Equipment is a versatile product that delivers professional results. It is suitable for beauty clinics, salons, centers, and home use. The product's advanced features and superior technology make it ideal for different applications and scenarios. Whether you want to rejuvenate your skin, shape your body, or remove unwanted hair, the LZR su5 RF Beauty Equipment is a reliable and efficient product that delivers optimal results.

Customization:

Support and Services:

Our RF Beauty Equipment product comes with comprehensive technical support and services to ensure that our customers have a smooth and hassle-free experience with the product. Our dedicated support team is available to answer any questions or concerns regarding the product's functionality or usage. We also offer maintenance and repair services to keep the equipment in optimal condition. Additionally, we provide training and educational resources to help users maximize the benefits of the RF Beauty Equipment.
